THE BOAT USER FEES ARE DEPOSITED TO THE GREENWOOD LAKE FUND AND CAN ONLY BE USED BY THE COMMISSION TO PROTECT THE GREENWOOD LAKE WATERSHED.

STATE LAW REQUIRES THAT ALL VESSELS OPERATING ON GREENWOOD LAKE 18 FEET OR LONGER, OR ANY VESSEL MECHANICALLY PROPELLED BY A MOTOR 10 H.P. OR GREATER MUST REGISTER WITH GREENWOOD LAKE COMMISSION AND DISPLAY A STICKER.

**ANNUAL FEE SCHEDULE**

Fee schedules require rounding UPWARD to the next highest foot. Read across to find the category (equipped or not equipped). Read down to find the fee for the boat length. Sign and Date Registration Form.

CALCULATING YOUR ANNUAL BOAT FEE: First, determine whether the boat to be registered is “equipped for overnight accommodations.” Boats equipped for overnight have a bed or bunk and sanitary facilities such as a toilet, shower, sink, kitchen, whether or not a marine toilet has been removed from the vessel. Boats may be equipped for overnight whether or not used for overnight stays.

LENGTH	EQUIPPED FOR OVERNIGHT	NOT EQUIPPED FOR OVERNIGHT
20' OR LESS	\$30.00	\$30.00
21' TO 25'	\$37.50	\$37.50
26'	\$67.50	\$45.00
27'	\$97.50	\$52.50
28'	\$127.50	\$60.00
OVER 28'	\$37.50 + \$30 FOR EACH FOOT OVER 25'	\$37.50 + \$7.50 FOR EACH FOOT OVER 25'

Next, determine the boat length. (check your state registration documentation) Boat length is the distance overall from the foremost part of the bow to the aftermost part of the stern excluding bow pulpits, swim decks, engines, props, brackets, etc. Many boats have a capacity plate which provides the overall length.

UNDER PENALTY OF LAW, BOAT REGISTRATIONS MUST CONFORM TO THE ACTUAL BOAT LENGTH AND EQUIPMENT.
